**APPLICANT:** Public Works & Utilities

**REASON FOR LEGISLATION:** To provide the authority to repeal Ordinance No. 18399  
creating Ornamental Lighting District No. 287, being West Charleston, North First Street west  
approximately 1,100 feet +/-, based on the lack of majority frontage needed to order constructed.

## **D I S C U S S I O N**

The City Council passed Ordinance No.18399 on July 12, 2004, creating Ornamental Lighting District No. 287. There has been no success at obtaining the necessary majority of frontage needed to bring this district before the City Council for resolution action within the one (1) year time frame policy as required by City Council. At this time, Public Works & Utilities request this district to be repealed and an ordinance passed signifying such.

The total frontage signed through formal petition process is 0 feet of the 2,162 feet total.
